SERVING NORTHAMPTON COUNTY

ABOUT

Access to fresh, healthy food is essential for all people. Using the Choice Model, ProJeCt's Food Pantry provides clients with the ability to select their own items from our shelves. Education is key to achieving lasting benefits and our trained staff and volunteers help clients learn how to choose and prepare nutritious food.

Food insecure Northampton County residents can receive a 3-4 day supply of food once a month. ProJeCt operates the largest Full Choice Food Pantry in Northampton County, serving over 3,000 people each year.

COMMUNITY GARDEN

In partnership with local farms and our own Community Garden, we offer fresh fruits and vegetables to clients.
