Pennsylvania Educational Improvement Tax Credit Program

ProJeCt of Easton has been approved for the Pennsylvania Educational Improvement Tax Credit (EITC) Program as a Pre-Kindergarten Scholarship (Pre-K) and an Educational Improvement Organization (EIO).

If your company has been approved for EITC credits by the Pennsylvania Department of Community & Economic Development, please consider a gift to ProJeCt. You can choose to give to either or both of our approved programs:

- Pre-Kindergarten Program: ProJeCt's Pre-K program is free and serves only low-income children and parents. The goal of the program is to prepare children for success in school through a literacy-rich curriculum and high quality, developmentally-appropriate instruction.
- SIZZLE!® (EIO): ProJeCt's SIZZLE!® program is a free summer literacy day camp for low-income, at-risk children in grades K-5. The goal of the program is to increase or maintain reading scores in order to decrease the adverse effects of the "summer slide" of learning loss.

Visit DCED's website for more information on how you can apply for this program:
